You will then be auto-prompted to download the Adobe Connect application. Instructions will be given on the screen to walk you through this simple process. No administrative permissions are needed as you will log in as a guest.

Use the link below to access the RAIC Syllabus Webinar:

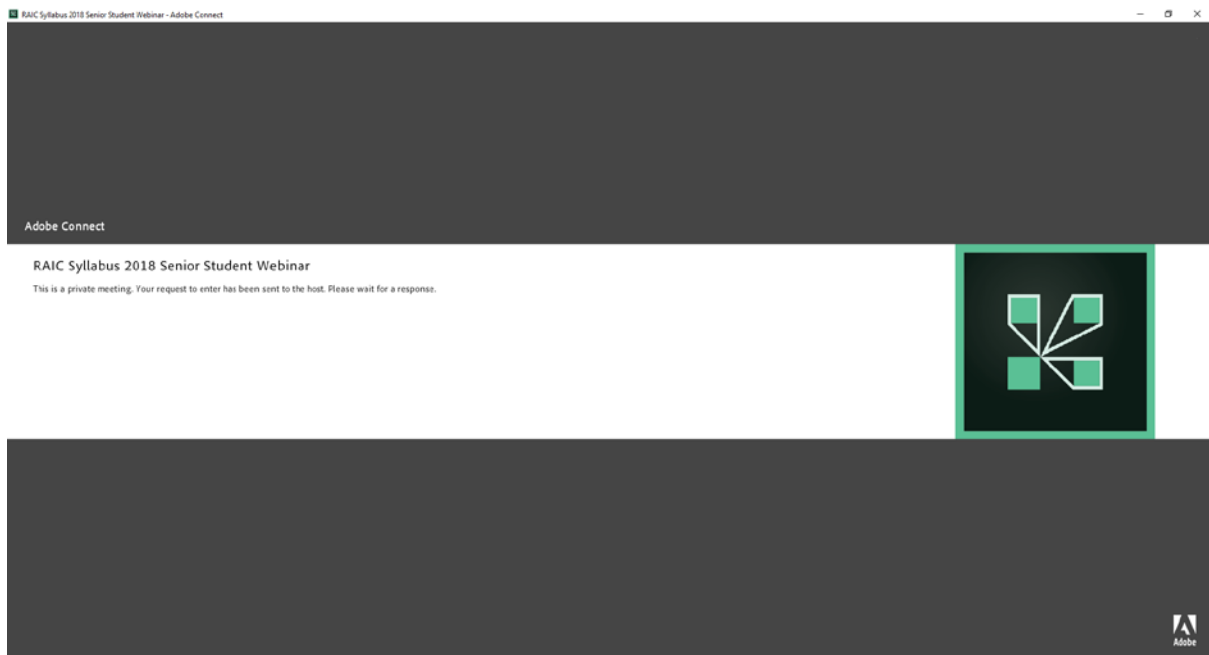

This window will appear:

The screenshot shows the Adobe Connect interface for a webinar. At the top, there is the Adobe Connect logo and the text 'Adobe Connect'. Below this, the webinar title 'RAIC Syllabus 2018 Senior Student Webinar' is displayed. A large green square icon with a white geometric design is centered on the screen. Below the icon, there are two radio buttons: 'Guest' (which is selected) and 'Registered User'. A horizontal line separates this from a 'Name' field with the placeholder text 'Type here'. Below the name field, there is a line of text: 'By entering a Name & clicking "Enter Room", you agree that you have read and accept the [Terms of Use](#) & [Privacy Policy](#)'. At the bottom, there is a blue button with the text 'Enter Room'.

You may be asked to open or download Adobe Connect.

You will then be approved and invited into the webinar once your registration has been verified by the National Office (this should only take a minute or so).
