

Uploading Studio Design Documentation

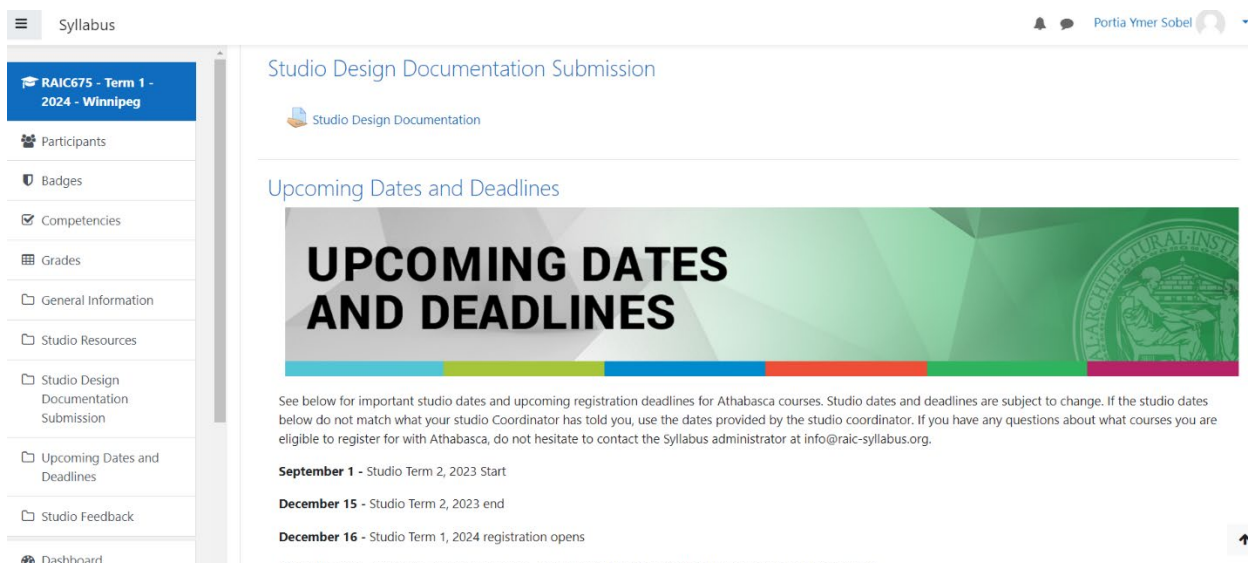

To upload your design documentation, first you will need to login to Moodle. Moodle can be accessed by signing into the Syllabus student portal here: <https://syllabus.raic.ca/> and then select Moodle from the top-most menu bar.

In your Moodle dashboard, your courses will appear on the homepage.

Select the course you are taking, and then click on the lefthand side or scroll down to 'Studio Design Documentation'

Scroll to and click 'Add submission'
